\* Includes 2 users. For JGR All, 4 users.

\*\*To be eligible for the access fee in any year, the institution must pay for either unlimited electronic access or per-user electronic access for the entire Journal of Geophysical Research or any two of JGR-Space Physics, JGR-Solid Earth, JGR-Oceans, JGR-Atmospheres, Water Resources Research, or Geophysical Research Letters. Additional restrictions apply to current and previously subscribed journals; see terms. Those journals with no per user access fees can be purchased at the full access price. Those journals with no per user access fees can be included in a subscription package for the full fee for the category that describes the size and nature of the subscribing institution.
