## BILLING INFORMATION

Your order cannot be processed without a purchase order in the sufficient amount. A purchase order number may be given initially while the purchase order is being finalized so that this form can be returned promptly to AGU; however, we will need to receive the purchase order itself before we can process your order. The charges listed on the front of this form are estimates only: If the final charges exceed the value of your purchase order, we will contact you or your institution for a modification. If more than one institution is to be billed, a purchase order and/or other written confirmation is required from each institution.

**Note that if more than one shipping address is indicated, each address must be listed on the corresponding purchase order. If you wish to add or change a shipping address on an order, contact your institution's purchasing agent to modify the purchase order.**
