

Corporations, government, departments or research facilities within academic institutions, and private institutions: single site license.

THIS License IS AGREED the _____ day of _____ 200__

BETWEEN

American Geophysical Union of 2000 Florida Ave., NW, Washington, DC 20009, USA ("the Publisher")

and

[FULL CONTRACTUAL NAME and FULL ADDRESS]

("the Licensee")

WHEREAS the Publisher holds the rights granted under this License

AND WHEREAS the Licensee desires to use the rights and the Publisher desires to grant to the Licensee the license to use the rights for the Fee, subject to the terms and conditions of this License.

IT IS AGREED AS FOLLOWS: -

1. KEY DEFINITIONS

1.1 In this License, the following terms shall have the following meanings: -

Annual Access Fee Price set for a particular part of the Licensed Material, the payment of which provides access so long as the Licensee remains qualified for the Annual Access Fee and continues payment thereof.

Authorized Site One contiguous geographical office complex/campus that includes the Licensee's library or administrative office plus buildings within five (5) miles of the perimeter of said office complex/campus. Extensions or offices located outside that 5-mile ring are considered separate Authorized Sites unless otherwise agreed to in writing by the Publisher. A single Authorized Site is limited to one corporate or administrative entity.

Authorized Users Current members of the staff of the Licensee at the Authorized site (whether on a permanent, temporary or contract basis) who are permitted to access the Secure Network from within the Licensee's Premises or from such other places where Authorized Users work (including but not limited to Authorized Users' offices and homes) and who have been issued by the Licensee with a password or other authentication for remote access, together with visiting individuals who are working at the authorized site and who are permitted access to the Secure Network but only at computer terminals at the Authorized Site.

Commercial Use	Use for the purposes of monetary reward (whether by or for the Licensee or an Authorized User) by means of sale, resale, loan, transfer, hire or other form of exploitation of the Licensed Materials. For the avoidance of doubt, neither recovery of direct costs by the Licensee from Authorized Users, nor use by the Licensee or by an Authorized User of the Licensed Materials in the course of research, product development and related activity in the normal course of business is deemed to be Commercial Use.
Fee	The Fee set out in Schedule 1 or in new Schedules to this License which may be agreed by the parties from time to time.
Full Subscription Rate	Standard price which is set for a particular part of the Licensed Materials and which is determined by the type and size of an Authorized Site or the number of simultaneous users. For Institutional Affiliates of the American Geophysical Union the Full Subscription Rate is the standard price less the Affiliate's discount.
Licensee's Premises	The physical premises owned or operated by the Licensee, as specified in Schedule 2.
Licensed Materials	The electronic material as set out in Schedule 1 or in new Schedules to this License that may be agreed by the parties from time to time.
Secure Network	A network (whether a stand-alone network or a virtual network within the Internet) which is only accessible to Authorized Users approved by the Licensee whose validity is authenticated at the time of log-in and periodically thereafter consistent with current best practice, and whose conduct is subject to regulation by the Licensee.
Server	The server, either the Publisher's server or a third party server designated by the Publisher, on which the Licensed Materials are mounted and may be accessed.
Subscription Period	That period covered by the volumes and issues of the Licensed Material listed in Schedule 1.

2. AGREEMENT

- 2.1 The Publisher agrees to grant to the Licensee the non-exclusive and non-transferable right to give Authorized Users access to the Licensed Materials via a Secure Network subject to the terms and conditions of this License, and the Licensee agrees to pay the Fee.
- 2.2 This License shall commence at the beginning of the Subscription Period, for each of the Licensed Materials as set out in Schedule 1 or in new Schedules to this License that may be added subsequently; and shall automatically terminate at the end of the Subscription Period, unless the parties have previously agreed to renew it.

- 2.3 On termination of this License, the Publisher shall provide continuing access for Authorized Users to that part of the Licensed Materials which was published during the Subscription Period and was paid for at the full Subscription Rate; such continuing access will be provided either from the Server subject to such fees as the parties agree, or by supplying to the Licensee electronic files in the then-current format on a medium of the Publisher's choice for a fee that reflects the cost of preparation and delivery. For avoidance of doubt, the Publisher shall not provide continuing access for that part of the Licensed Materials for which only an Annual Access Fee was paid.

3. USAGE RIGHTS

- 3.1 The Licensee, subject to clause 5 below, may:
- 3.1.1 Make such temporary local electronic copies by means of caching of all or part of the Licensed Materials as are necessary solely to ensure efficient use by Authorized Users and not to make available to Authorized Users duplicate copies of the Licensed Material.
 - 3.1.2 Allow Authorized Users to have access to the Licensed Materials from the Server via the Secure Network.
 - 3.1.3 Provide single printed copies of single articles at the request of individual Authorized Users.
 - 3.1.4 Display, download or print the Licensed Materials for the purpose of internal testing or for training Authorized Users or groups of Authorized Users, and for internal corporate training programs (provided that appropriate acknowledgment of the source is made).
 - 3.1.5 Provide print or electronic copies of the Licensed Materials to national or international regulatory authorities for the purposes of, or in anticipation of, regulatory approval or patent and/or trademark applications or other legal or regulatory purposes in respect of the Licensee's products or services.
- 3.2 Authorized Users may, in accordance with the copyright laws of the United States and subject to clause 5 below:
- 3.2.1 Search, view, retrieve and display the Licensed Materials.
 - 3.2.2 Electronically save individual articles or items of the Licensed Materials for personal use.
 - 3.2.3 Print off a copy of parts of the Licensed Materials.
 - 3.2.4 Distribute a copy of individual articles or items of the Licensed Materials in print to other Authorized Users; for the avoidance of doubt, this sub-clause shall include the distribution of a copy for teaching purposes to each individual student Authorized User in a class at the Licensee's institution.

3.2.5 Use figures, tables, and short quotes from the Licensed Materials for republication in scientific books and journals so long as all sources are cited appropriately.

3.3 Nothing in this License shall in any way exclude, modify or affect any of the Licensee's statutory rights under the copyright laws of the United States.

4. SUPPLY OF COPIES TO OTHER LIBRARIES

4.1 The Licensee may, subject to clause 5 below, supply to an Authorized User of another library not being the Licensee's (whether by post or fax or secure transmission, using Ariel or its equivalent, whereby the electronic file is deleted immediately after printing), for the purposes of research or private study and not for Commercial Use, a single paper copy of an electronic original of an individual document being part of the Licensed Materials.

5. PROHIBITED USES

5.1 Neither the Licensee nor Authorized Users may:

5.1.1 remove or alter the authors' names or the Publisher's copyright notices or other means of identification or disclaimers as they appear in the Licensed Materials;

5.1.2 systematically make print or electronic copies of multiple extracts of the Licensed Materials for any purpose;

5.1.3 provide, by electronic means, to a user at another library or elsewhere, a retained electronic copy of any part of the Licensed Materials;

5.1.4 mount or distribute any part of the Licensed Material on any electronic network, including without limitation the Internet and the World Wide Web, other than the Secure Network

5.2 The Publisher's explicit written permission must be obtained in order to:

5.2.1 use all or any part of the Licensed Materials for any Commercial Use other than as permitted in clause 3.1.5;

5.2.2 systematically distribute the whole or any part of the Licensed Materials to anyone other than Authorized Users;

5.2.3 publish, distribute or make available the Licensed Materials, works based on the Licensed Materials or works which combine them with any other material, other than as permitted in this License;

5.2.4 alter, abridge, adapt or modify the Licensed Materials, except to the extent necessary to make them perceptible on a computer screen or as otherwise permitted in this License, to Authorized Users. For the avoidance of doubt, no alteration of the words or their order is permitted.

6. PUBLISHER'S UNDERTAKINGS

- 6.1 The Publisher warrants to the Licensee that the Licensed Materials used as contemplated by this License do not infringe the copyright of any person. The Publisher shall indemnify, defend and hold the Licensee harmless from and against any loss, damage, costs, liability and expenses (including reasonable legal and professional fees) arising out of any legal action taken against the Licensee claiming actual or alleged infringement of such rights. This indemnity shall survive the termination of this License for any reason. This indemnity shall not apply if the Licensee has amended the Licensed Materials in any way not permitted by this License.
- 6.2 The Publisher shall:
- 6.2.1 make the Licensed Materials available to the Licensee from the Server in the format specified in Schedule 1. The Publisher will notify the Licensee at least sixty (60) days in advance of any anticipated major specification change such as means of access or format applicable to the Licensed Materials. If the changes render the Licensed Materials less useful in a material respect to the Licensee, the Licensee may within thirty (30) days of such notice treat such changes as a breach of this License under clause 9.1.2 and 9.4.
 - 6.2.2 provide the Licensee, within thirty (30) days of the date of this License, with information sufficient to enable the Licensee to access the Licensed Material.
 - 6.2.3 use reasonable endeavors to ensure that the Server has adequate capacity and bandwidth to support the usage of the Licensee at a level commensurate with the standards of availability for information services of similar scope operating via the World Wide Web, as such standards evolve from time to time over the term of this License.
 - 6.2.4 use reasonable endeavors to make the Licensed Materials available to the Licensee and to Authorized Users at all times and on a twenty-four hour basis, save for routine maintenance (which shall be notified to the Licensee in advance wherever possible), and to restore access to the Licensed Materials as soon as possible in the event of an interruption or suspension of the service.
- 6.3 While making every effort to maintain the integrity of the scientific record, the Publisher reserves the right at any time to withdraw from the Licensed Materials any item or part of an item for which it no longer retains the right to publish, or which it has reasonable grounds to believe infringes copyright or is defamatory, obscene, unlawful or otherwise objectionable. The Publisher shall give written notice to the Licensee of such withdrawal. If the withdrawal represents more than ten per cent (10%) of the publication in which it appeared, the Publisher shall refund to the Licensee that part of the Fee that is in proportion to the amount of material withdrawn and the remaining unexpired portion of the Subscription Period.
- 6.4 The Publisher undertakes to use reasonable endeavors to provide or to make arrangements for a third party to provide an archive of the Licensed Materials for the purposes of long term preservation of the Licensed Materials.
- 6.5 Collection and analysis of data on the usage of the Licensed Materials will assist both the Publisher and the Licensee to understand the impact of this License. The Publisher shall provide

to the Licensee or facilitate the collection and provision to the Licensee and the Publisher by the Licensee of such usage data on the number of articles downloaded, by journal title, on an annual basis for the Publisher's and the Licensee's private internal use only. Such usage data shall be compiled in a manner consistent with applicable privacy laws, and the anonymity of individual users and the confidentiality of their searches shall be fully protected. In the case that the Publisher assigns its rights to another party under clause 10.3, the Licensee may at its discretion require the assignee either to keep such usage information confidential or to destroy it.

- 6.6 EXCEPT AS EXPRESSLY PROVIDED IN THIS LICENSE, THE PUBLISHER MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, WARRANTIES OF NONINFRINGEMENT, DESIGN, ACCURACY, CURRENTNESS, USEFULNESS OF THE INFORMATION CONTAINED IN THE LICENSED MATERIALS, MERCHANTABILITY OR FITNESS OF USE FOR A PARTICULAR PURPOSE, ERROR-FREE OR UNINTERRUPTED OPERATION. THE LICENSED MATERIALS ARE SUPPLIED 'AS IS'.
- 6.7 EXCEPT AS PROVIDED IN CLAUSE 6.1, UNDER NO CIRCUMSTANCES IRRESPECTIVE OF THE CAUSE OR FORM OF ACTION SHALL THE PUBLISHER BE LIABLE TO THE LICENSEE OR ANY OTHER PERSON, INCLUDING BUT NOT LIMITED TO AUTHORIZED USERS, FOR ANY SPECIAL, EXEMPLARY, INCIDENTAL OR CONSEQUENTIAL DAMAGES OF ANY CHARACTER, OF ANY PERSON, INCLUDING THIRD PARTIES, ARISING OUT OF THE INABILITY TO USE, OR THE USE OF, THE LICENSED MATERIALS. IRRESPECTIVE OF THE CAUSE OR FORM OF ACTION, THE PUBLISHER'S AGGREGATE LIABILITY FOR ANY CLAIMS, LOSSES, OR DAMAGES ARISING OUT OF THIS LICENSE SHALL IN NO CIRCUMSTANCES EXCEED THE FEE PAID BY THE LICENSEE TO THE PUBLISHER UNDER THIS LICENSE IN RESPECT OF THE SUBSCRIPTION PERIOD DURING WHICH SUCH CLAIM, LOSS OR DAMAGE OCCURRED. The foregoing limitation of liability and exclusion of certain damages shall apply regardless of the success or effectiveness of other remedies. Regardless of the cause or form of action, the Licensee may bring no action arising from this license more than twelve (12) months after the cause of action arises.
- 6.8 THE PUBLISHER DOES NOT CONTROL, NOR CAN CONTROL, THE FLOW OF DATA TO OR FROM INTERNET SERVICE PROVIDERS, TELECOMMUNICATIONS PROVIDERS AND OTHER PORTIONS OF THE INTERNET. SUCH FLOW DEPENDS IN LARGE PART ON THE PERFORMANCE OF INTERNET SERVICES PROVIDED OR CONTROLLED BY THIRD PARTIES. AT TIMES, ACTIONS OR INACTIONS CAUSED BY SUCH THIRD PARTIES MAY PRODUCE SITUATIONS IN WHICH A PARTY'S CONNECTIONS TO THE INTERNET (OR PORTIONS THEREOF) MAY BE IMPAIRED OR DISRUPTED AND THE PUBLISHER CANNOT GUARANTEE THAT SUCH EVENTS WILL NOT OCCUR. ACCORDINGLY, THE PUBLISHER DISCLAIMS ANY AND ALL LIABILITY RESULTING FROM OR RELATED TO SUCH EVENTS. THE PUBLISHER SHALL NOT BE LIABLE TO THE LICENSEE, ANY AUTHORIZED USER OR ANY OTHER THIRD PARTY FOR ANY CLAIMS OR DAMAGES THAT MAY BE SUFFERED BY THE LICENSEE, ANY AUTHORIZED USER OR ANY SUCH THIRD PARTY INCLUDING, WITHOUT LIMITATION, ANY AND ALL LOSSES OR DAMAGES OF ANY AND EVERY NATURE, RESULTING FROM THE LOSS OF DATA, INABILITY TO ACCESS THE INTERNET OR INABILITY TO TRANSMIT OR RECEIVE INFORMATION,

CAUSED BY, OR RESULTING FROM, DELAYS, NON-DELIVERY OR SERVICE INTERRUPTIONS WHETHER OR NOT CAUSED BY THE FAULT OR NEGLIGENCE OF THE PUBLISHER. THE PUBLISHER SHALL NOT BE RESPONSIBLE FOR THE WEB SITE'S NOT BEING ACCESSIBLE ON THE INTERNET DUE TO CIRCUMSTANCES NOT IN THE DIRECT CONTROL OF THE PUBLISHER SUCH AS, WITHOUT LIMITATION, THE OTHER PARTY'S EQUIPMENT CAPABILITIES, LIMITATIONS OR INTERNET SERVICE PROVIDER LIMITATIONS. THE PUBLISHER SHALL NOT HAVE ANY RESPONSIBILITY OR LIABILITY FOR UNAUTHORIZED DISSEMINATION OF ANY DATA, WHETHER AS A RESULT OF DEFEAT OF DATA SECURITY, MISAPPROPRIATION OR MISUSE OF PASSWORDS, OR ANY OTHER CAUSE NOT IN THE DIRECT CONTROL OF THE PUBLISHER.

- 6.9 THE LICENSEE EXPRESSLY ACKNOWLEDGES AND AGREES THAT THE LIMITATIONS AND EXCLUSIONS CONTAINED HEREIN REPRESENT THE PARTIES' AGREEMENT AS TO THE ALLOCATION OF RISK BETWEEN THE PARTIES IN CONNECTION WITH THE PUBLISHER'S OBLIGATIONS UNDER THIS LICENSE. THE PAYMENTS MADE BY THE LICENSEE REFLECT THIS ALLOCATION OF RISK AND THE EXCLUSION OF SPECIAL, INCIDENTAL, CONSEQUENTIAL, INDIRECT OR PUNITIVE, OR OTHER DAMAGE IN THIS LICENSE NOTWITHSTANDING THAT ANY EXCLUSIVE REMEDY SHALL FAIL OF ITS ESSENTIAL PURPOSE OR OTHERWISE BE UNAVAILABLE.

7. LICENSEE'S UNDERTAKINGS

7.1 The Licensee shall:

- 7.1.1 use reasonable endeavors to ensure that only Authorized Users are permitted access to the Licensed Materials;
- 7.1.2 use reasonable endeavors to ensure that Authorized Users are appropriately notified of the importance of respecting the intellectual property rights in the Licensed Materials and that they are made aware of and undertake to abide by the terms and conditions of this License;
- 7.1.3 use reasonable endeavors, monitor compliance and immediately upon becoming aware of any unauthorized use or other breach, inform the Publisher and take all steps, including disciplinary action, both to ensure that such activity ceases and to prevent any recurrence;
- 7.1.4 provide the Publisher, within thirty (30) days of the date of this License, with information sufficient to enable the Publisher to provide access to the Licensed Material in accordance with its obligation under clause 6.2.2. Should the Licensee make any significant change to such information, it will notify the Publisher within thirty (30) days after library staff have become aware of this change.
- 7.1.5 keep full and up-to-date records of all IP addresses and provide the Publisher with details of such additions, deletions or other alterations to such records as are necessary to enable

the Publisher to provide Authorized Users with access to the Licensed Materials as contemplated by this License;

- 7.2 The Licensee hereby acknowledges that the activities of the American Geophysical Union as a Publisher is entirely dependent upon the Publisher's intellectual property rights in the Licensed Materials, and that any material and persistent breach thereof constitutes a fundamental breach of this license, in which event, notwithstanding clause 9, this License shall immediately terminate; the Publisher shall be entitled to immediate injunctive relief and the immediate removal of all electronic copies of the Licensed Materials held by the Licensee without any rebate of the Fee and without prejudice to any other rights or remedies to which it may be entitled.
- 7.3 SUBJECT TO APPLICABLE LAW, THE LICENSEE AGREES TO INDEMNIFY, DEFEND AND HOLD THE PUBLISHER HARMLESS FROM AND AGAINST ANY LOSS, DAMAGE, COSTS, LIABILITY AND EXPENSES (INCLUDING REASONABLE LEGAL AND PROFESSIONAL FEES) ARISING OUT OF ANY CLAIM OR LEGAL ACTION TAKEN AGAINST THE PUBLISHER RELATED TO OR IN ANY WAY CONNECTED WITH ANY USE OF THE LICENSED MATERIALS BY THE LICENSEE OR AUTHORIZED USERS NOT IN ACCORDANCE WITH THIS LICENSE OR ANY FAILURE BY THE LICENSEE TO PERFORM ITS OBLIGATIONS IN RELATION TO THIS LICENSE, PROVIDED THAT NOTHING IN THIS LICENSE SHALL MAKE THE LICENSEE LIABLE FOR BREACH OF THE TERMS OF THE LICENSE BY ANY AUTHORIZED USER PROVIDED THAT THE LICENSEE DID NOT CAUSE, KNOWINGLY ASSIST OR CONDONE THE CONTINUATION OF SUCH BREACH TO CONTINUE AFTER BECOMING AWARE OF AN ACTUAL BREACH HAVING OCCURRED.
- 7.4 The Licensee shall, in consideration for the rights granted under this License, pay the Fee within thirty (30) days of signature and, if applicable, within sixty (60) days prior to each subsequent Subscription Period and receipt of such payment shall be a condition of this License coming into effect. For the avoidance of doubt, the Fee shall be exclusive of any sales, use, value added or similar taxes and the Licensee shall be liable for any such taxes in addition to the Fee.

8. UNDERTAKINGS BY BOTH PARTIES

- 8.1 Each party shall use its best endeavors to safeguard the intellectual property, confidential information and proprietary rights of the other party.

9. TERM AND TERMINATION

- 9.1 In addition to automatic termination (unless renewed) under clause 2.2, this License shall be terminated:
- 9.1.1 if the Licensee defaults in making payment of the Fee as provided in this License;
 - 9.1.2 if either party commits a material or persistent breach of any term of this License and fails to remedy the breach (if capable of remedy) within thirty (30) days of notification in writing by the other party;
 - 9.1.3 if either party becomes insolvent or becomes subject to receivership, liquidation or similar external administration.

- 9.2 On termination all rights and obligations of the parties automatically terminate except for obligations in respect of Licensed Materials to which access continues to be permitted as provided in clause 2.3.
- 9.3 On termination of this License for cause, as specified in clause 9.1.2, the Licensee shall immediately cease to distribute or make available the Licensed Materials to Authorized Users except as provided in clause 2.3.
- 9.4 On termination of this License by the Licensee for cause, as specified in clause 9.1.2 above, the Publisher shall forthwith refund the proportion of the Fee that represents the paid but unexpired part of the Subscription Period as the Licensee's sole and exclusive remedy of the Publisher's breach of this License.

10. GENERAL

- 10.1 This License constitutes the entire agreement of the parties and supersedes all prior and contemporaneous communications, understandings and agreements relating to the subject matter of this License, whether oral or written.
- 10.2 Alterations to this License and to the Schedules to this License are only valid if they are recorded in writing and signed by both parties.
- 10.3 This License may not be assigned by either party to any other person or organization, nor may either party subcontract any of its obligations, except as provided in this License in respect of and the management and operation of the Server, without the prior written consent of the other party, which consent shall not unreasonably be withheld.
- 10.4 If rights in all or any part of the Licensed Materials are assigned to another publisher, the Publisher shall use its best endeavors to ensure that the terms and conditions of this License are maintained.
- 10.5 Any notices to be served on either of the parties by the other shall be sent by prepaid recorded delivery or registered post to the address of the addressee as set out in this License or to such other address as notified by either party to the other as its address for service of notices. All such notices shall be deemed to have been received within fourteen (14) days of posting.
- 10.6 Neither party's delay or failure to perform any provision of this License, as result of circumstances beyond its control (including, without limitation, war, strikes, floods, governmental restrictions, power, telecommunications or Internet failures, or damage to or destruction of any network facilities) shall be deemed to be, or to give rise to, a breach of this License.
- 10.7 The invalidity or unenforceability of any provision of this License shall not affect the continuation or enforceability of the remainder of this License.
- 10.8 Either party's waiver, or failure to require performance by the other, of any provision of this License will not affect its full right to require such performance at any subsequent time, or be taken or held to be a waiver of the provision itself.

- 10.9 If a dispute arises out of or relates to this License, or the breach thereof, and the dispute cannot be settled, the parties agree first to try in good faith to settle the dispute by mediation administered by the American Arbitration Association under its Commercial Mediation Rules before resorting to arbitration.
- 10.10 Subject to clause 10.9 above, all claims, disputes, controversies and other matters in question between the parties to this License, arising out of, or relating to this License, or the breach thereof including, without limitation, those wherein either party is demanding monetary damages of any nature, including matters involving negligence, strict liability or intentional acts or omissions by either party shall be settled by arbitration in accordance with this License and the following procedure. Any dispute relating to this License or its subject matter -- including disputes as to validity, performance, breach or termination -- which cannot be settled by mediation, shall be submitted to J.A.M.S/ENDISPUTE for binding arbitration between the parties pursuant to J.A.M.S/ENDISPUTE Streamlined Arbitration Rules and Procedures ("Arbitration Rules") as in force on the date of commencement of arbitration, and as modified by this Arbitration Clause subject, however, to the right of either party to apply to a court of competent jurisdiction for a Temporary Restraining Order, Preliminary Injunction or other equitable relief: (i) to preserve the status quo, or (ii) to prevent irreparable harm, e.g., either party shall have the right to institute an action in the event the other party infringes its respective proprietary rights, or (iii) to bring suit on an open account for simple moneys due under the License. All claims or disputes submitted to arbitration shall be determined by a single Arbitrator, to be selected by mutual agreement of the parties. In the event the parties cannot agree, the Arbitrator shall be selected in accordance with the J.A.M.S/ENDISPUTE procedures. The decision of the Arbitrator shall be final and binding. The parties expressly reserve to themselves the right to vary such Arbitration Rules on an ad hoc basis depending on the circumstances of a particular dispute by mutual agreement. The law governing the arbitration proceedings shall be (i) the law of the State of New York, without regard either to its choice of law provisions or its arbitration statute, and (ii) the U.S. Arbitration Act, 9 U.S.C. §§1 et seq., and the place of arbitration shall be in the District of Columbia. The Arbitrator's authority to grant relief is subject to the terms of this Arbitration Clause, the terms of the License, and the law governing the License. The Arbitrator shall have no power or authority to add to or detract from the agreements of the parties. The Arbitrator shall have no authority to award punitive, exemplary, consequential, special, indirect or incidental or treble damages except to the extent expressly permitted by the License, but not otherwise.

AS WITNESS the hands of the parties the day and year below first written
