

# How to Submit Your First Paper

Monday 13 December 2021, 15:30-16:00 CST, online

## Resources and further information

### Conceptualization, writing and revising your paper

- Wiley Author Services has a [great lineup of webinars](#) on writing and publishing.
- General [resources on writing](#) your paper including books and blog posts.

### Submitting to AGU Journals

- A short [overview about AGU publications](#) (pdf)
- A simple six-step [infographic](#) (pdf) to help you get published with AGU journals
- Our main webpage <https://www.agu.org/Publish-with-AGU/Publish>
  - See “About” tab for links to submit to any AGU journal
  - “How to submit” tab explains submission requirements
- Here’s a [checklist](#) for submitting a new manuscript
  - AGU’s [open data requirements](#)
  - Please review our [ethical guidelines for authors](#)—most of these apply to other publishers
- You can always post your work (such as under-review paper or meeting poster) to a community preprint server like [EssoAr](#).

Contact [publications@agu.org](mailto:publications@agu.org) with any inquiries
