When you enter the system, you will automatically be brought to your landing page, which has three essential areas:

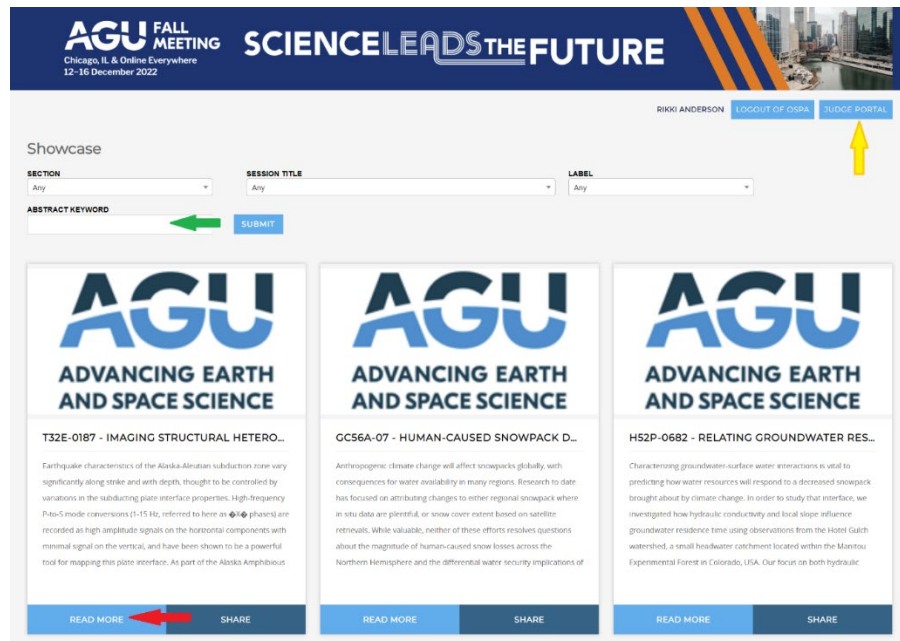

- **Showcase** (orange arrow), which is used to assign yourself presentations to evaluate. [Learn more.](#)
- **Submissions Tabs** (green arrow), which are used for evaluating presentations you've been assigned to judge. [Learn more.](#)
- **Schedule** (yellow arrow), which is used to view the schedule of the presentations you are judging. [Learn more.](#)

## Assign yourself a Presentation

At the top right side of your landing page, select the Showcase button (orange arrow). The showcase allows judges to review all abstracts in all sections that still need a judge assigned.

Once you access the showcase, you will see the following:

If you would like to exit the showcase and return to your landing page, select “Judge Portal” (yellow arrow).

## Find a Presentation

- Use the drop-down menus or search bar (green arrow) to narrow your search.
- Use the label to search for in-person posters, online iPosters, or oral presentations.
- Once you find a presentation you are interested in, select “Read More” (red arrow).

- Once you select an abstract, you can find the presenter information, the abstract description, and scheduling details.
- Once you find a presentation you would like to evaluate, select “Add to my list” (purple arrow)
- If you would like to find more presentations to evaluate, select “Back” (orange arrow).
- When you are ready to evaluate your presentation(s), select “Judge Portal” (yellow arrow).

**Please note:** Students have been asked to confirm if they will be presenting in-person or virtually. Beginning 2 December, if a student has not confirmed, you will see the presentation type they were assigned and a note that they have not confirmed.

The most important presentation type for judges to note will be **in-person posters**. If a poster presenter has swapped to virtual without notifying OSPA, you will see that poster’s status as “in-person, unconfirmed” in the system. If you are unable to find the poster in the poster hall on-site, please check the online poster platform.
