AbSciCon 2022

Deadlines

#AbSciCon22 is a well-orchestrated event with deadlines that are set in advance to ensure everyone - from presenters to the AbSciCon Scientific Organizing Committee - is able to create an engaging scientific meeting. But what happens once you submit your proposal and/or abstract?

Here’s a look at the process from start to finish.

22 September 2021
Deadline for call for proposals.

21 October 2021
Deadline for AbSciCon SOC to review/merge proposals.

2 November 2021
Session proposal acceptance notification letters are sent. Abstracts and town hall submission site opens.

10 March 2022
Abstract and town hall acceptance notifications are sent. Scientific Program is published.

21 February–1 March 2022
AbSciCon SOC meets to create the AbSciCon scientific schedule.

19 January 2022
Deadline for abstract and town hall submissions.

15–20 May 2022
AbSciCon welcomes attendees from around the world to Atlanta, Georgia and online everywhere!
