The Scientific Program for AGU25 is Live

[Explore the AGU25 Scientific Program](#) and prepare to join us in New Orleans, LA, from 15-19 December. [Register by 6 November](#) to take advantage of early-bird rates. Not yet an AGU member? [Join](#) before 6 November and get an additional member discount. We look forward to connecting with you at AGU25: Where Science Connects Us!

Shape
Policy
with
AGU's
Local
Science
Partners

AGU's [Local Science Partners program](#) empowers scientists to use their expertise to build lasting, trusting relationships with their federal policymakers, advancing science policy and diversifying Congressional champions. Partners gain advocacy training, ongoing support from AGU's policy team and the chance to meet directly with lawmakers during a Congressional Visit Day in Washington, D.C. Hurry to apply by 15 October.

APPLY

Join an information session on the review and comment process for Intergovernmental Panel on Climate Change (IPCC) reports. This webinar, taking place 15 October at 1 PM ET, will provide an overview of how the review process works, who can participate, and best practices for submitting effective comments. Presented by the U.S. Academic Alliance for the IPCC.

JpGU-AGU
JOINT
MEETING 2026

24 - 29 MAY
CHIBA, JAPAN
TRANSFORMATIVE SCIENCE
FOR LIFE & EARTH

Last chance to submit a session proposal for the JpGU-AGU Joint Meeting in Chiba, Japan, from 24-29 May. This hybrid conference—the third joint meeting between AGU and the Japan Geoscience Union—will bring together researchers from around the world for groundbreaking discussions in the Earth and space sciences. Deadline to submit is **5 PM JST on 15 October**.

SUBMIT

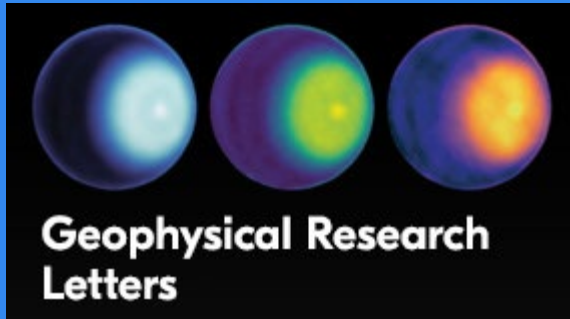

We invite you to nominate an impactful dataset that has been essential to your work. Submissions will be considered for inclusion in an upcoming featured commentary published in AGU Advances. This is a chance to recognize the data—and the people behind it—that are driving science forward. Please [nominate an impactful dataset](#) by 20 October.
