Select "Yes" to being **co-organized** during the submission process and select up to **four applicable sections**.

Select "Yes" to being **cross-listed** during the submission process and select up to **four applicable sections**.

Select the applicable **co-sponsoring society** when asked during the session submission process.

Select "No" when asked for **co-organized, cross-listed and co-sponsored** during the session submission process.

NOTE: **Co-organized** sessions must be approved by the program committee representatives of all sections involved. If approved, the session will be listed under all **co-organizing** sections during the submission process.

NOTE: **Cross-listed** sections will be used only for indexing purposes and do not need to be approved by the program committee. If the proposal is approved, the **cross-listings** will appear on the session for reference during the abstract submission process and in the online program.

NOTE: Society collaboration requests will be reviewed by the **co-sponsoring society**. If approved, the session will be included in the list of sessions applicable to the co-sponsoring society in the online program.
