

Show us **#AGYou!**

We want to see what you're up to as you get ready for Fall Meeting 2020. Take a photo with your personalized AGYou, post on social and use **#AGYou** and **#AGU20**. Follow along to see how your friends and colleagues AGYou!

Visit [agu.org/AGU20](https://agu.org/AGU20) as we roll out accessories by scientific neighborhood. We'll be uploading a new discipline every week, but feel free to try on the tools of another science!

**DIRECTIONS:**

1. Cut out your AGYou
2. Color or decorate as you please
3. Take pictures with your AGYou wherever you go! Snap a picture of them while walking your dog, doing at home science projects with your family, doing field work or whatever you're doing!
4. Share it on social using #AGYou and #AGU20!
